December 2016

It is time once again when the Lowell Historical Society reaches out to both members and former members to renew your membership. We would like to say *Thank You* to all current members for your continued support and for your anticipated renewal. We could not have done it without you! For those of you who did not renew last year we would like you to rejoin us and come back as current members.

It is only through the continued support of our members that the Society can continue to collect and preserve the history of Lowell. We have added many new exciting items to our collection this year and we would like to thank donors for their generosity. Your donations help us to properly care for all the items in our collection so this membership drive is extremely important to us.

Lowell Historical Society members are entitled to a discount on all items offered for sale by the Society as well as a periodic newsletter and advance notification of all upcoming programs and special events.

Your support is greatly needed so after you have finished reading this letter, take the time to complete the membership form and mail it right away so you won't forget! When completing the form, please pay special attention to the section that requests your e-mail address so that we can also offer you information via e-mail.

We are offering membership premiums for donations of \$50 or more. We can be reached at 978-970-5180, [contact@lowellhistoricalsociety.org](mailto:contact@lowellhistoricalsociety.org) or visit us at <http://www.lowellhistoricalsociety.org>.

Thank you,

The Membership Committee
